25.4"–51"

HEIGHT RANGE

280 lb

LOAD CAPACITY

4

MEMORY PRESETS

OVERVIEW

A private office that moves with you

OS Meridian brings a full executive L-desk and a sit-to-stand workstation together in one piece. Its covered front acts as a full modesty panel when seated, and whisper-quiet 3-stage legs raise the entire L-shaped surface for all-day ergonomic support.

Part of a modular private-office collection, Meridian pairs with matching hutches, shelving and storage so the whole room reads as one design.

3-stage electric legs

Premium speed and range of motion, from 25.4" to 51".

Covered front

Serves as a full modesty panel when seated; a surface-mounted standing modesty panel is available.

Built to last

Stain-resistant, easy-clean laminate top with integrated levelers for uneven floors.

Smart handset

Digital LED display, four programmable presets and a built-in USB-A charging port.

Clean cable routing

Two embedded grommets with caps that adjust to three opening sizes.

Modular collection

Add an open hutch, shelving or storage. Also available in a fixed-height version.

WHY OFFICE STATION

One partner, start to finish

Free space planning

Send a floor plan or a few measurements. We lay out the room and confirm the right size and hand before you order.

Delivered & installed

Professional delivery, assembly and installation, scheduled around your building and your calendar.

Quoted to your project

Pricing for one office or a full floor, with matching storage, seating and accessories on the same quote.

Specifications are supplied by the manufacturer and are subject to change without notice. Dimensions are nominal. Images may show optional accessories and décor not included. Every project is quoted individually.

Request a quote

Send the product code, finish and quantity, and we will come back with a written quote.
